We would like to wish you and your family a safe and wonderful New Year holiday!

Hunt Update 2016

Another year begins – it's not possible to know what 2016 has in store, but if you have resolutions in mind, make small changes, determine reachable goals and seek assistance where needed. You probably won't lose 30 pounds in January, but you could walk three times a week, cook more healthy meals at home, reduce your sugar intake and ask the folks at the fitness center for some exercise ideas.

Remember to be realistic when setting your New Year's resolutions. Take it one day at a time and focus on the bigger picture. Most of all, believe in yourself.

Maintenance 2016

Once the holiday clutter is cleared away, are you determined to do a bit of organizing? Here are a few suggestions:

Embrace the lowly clothespin – in addition to clipping chip bags, use to secure charger cords (use a marker to write what the cord is for on the clothespin). Wind embroidery floss around a clothespin – you can add the color code on the clothespin or simply corral your kid's friendship bracelet production mess.

Use narrow baskets to store snack items in cupboards. Kids can see what's available and you won't waste space with a giant granola bar box holding a single snack.

Store hair ties on a carabiner clip labeled with the owner's name.

Install a tension rod under the sink and hang spray bottles from their handles.
