Community Updates and Stories | SEPTEMBER 2017

ONE MISSION. ONE COMMUNITY.

CEL CELEBRATION IS COMING SOON!

The annual CEL resident satisfaction survey is quickly approaching! We rely on your survey responses and comments to highlight what we're doing well in and around the community, and the opportunities we may have. We would love to hear from you. Please be on the look out for additional information via email and at your home.

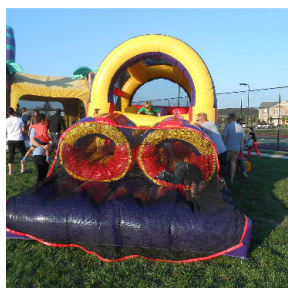

HAPPY BIRTHDAY BLB! - September 28, 2017

Happy Birthday Bolling, Langley and Barksdale! On September 28, 2017 marks 10 years since housing privatized at JBAB (at the time it was Bolling AFB) along with it's sister installations Langley and Barksdale AFB (hence the acronym BLB).

We want to celebrate our birthday with you! We will have a cupcake buffet available to our residents at the Community Center to celebrate this joyous occasion. Just pop in to say Hi and Happy Birthday!

How much do you know about Military Housing privatization? If you are interested in learning more, take some time to check out the link below.

HUNT HELPING HANDS - VOLUNTEER TODAY!

Hunt Military Communities will be hosting Hunt's Annual Helping Hands Day! During the week of September 18th & 25th, over 40 locations and hundreds of employees that are located throughout the United States will be volunteering their time and energy to support one of their local organizations.

Bolling Family Housing has decided to partner with the DC Ronald McDonald House! Ronald McDonald House is a home away from home for families that need to travel far to get treatment for their seriously ill or injured child. We will be serving delicious homemade breakfast to the families between 9am-10am. In addition, we will clean and maintain the house for a more pleasant and safe stay for the families. We encourage our residents to look for opportunities to serve within our community.

For volunteer opportunities with Ronald McDonald House, please contact Colette Saucier at 202-529-8204.
