NEWS & STORIES**

Congratulations to our Residents at 8612A Hartz Dr. for winning the 'Red, White and Blue 4th of July Decorating Contest'!

Our President's Message

As we all prepare for back-to-school, we want to help support you and your children in whatever form their educational experience takes this year. In 2019, on average, families spent close to \$700 per student for school supplies. In addition, many schools also asked parents to contribute up to \$100 per family for general use classroom materials. When combined with other childcare costs, many military families face difficult choices

about whether to ensure their children are well supplied for school or whether to purchase other essential items for their family, including clothing and food. This year, the Hunt Heroes Foundation, in partnership with Operation Homefront, will distribute 1,850 backpacks filled with much-needed school supplies to military families at each of our communities. We are proud to be partnering with this well-respected national non-profit who last year provided backpacks to over 43,000 military children across the U.S. Watch for more information in the coming days about this effort and how you can apply to receive school supplies for your child. As we move ahead together and navigate these uncertain times, we remain committed to serving you and your families.

Best,

John Ehle

Playgrounds & Tennis Court Now Open

Bolling Family Housing is thrilled to announce that the Playgrounds and Tennis Court are now open for use, and will continue to follow CDC guidelines. At this time, the Splash Park and basketball courts will remain closed due to the close contact environment that they present. *Waivers must be signed and returned to the Leasing Office in order to receive wristbands for amenity access.
