PROUDLY SUPPORTING THE MONTH OF THE MILITARY CHILD

Our President's Message

April is a special month for our HMC families as we celebrate the Month of the Military Child. It is a time to honor the sacrifices made by military families worldwide and especially the dependent children of military members serving at home and

overseas. Since 9/11, over 2 million children have had a parent deployed overseas, and come have had a parent deployed multiple times. Military youth of today promise to be some of the most active and involved populations in our nation's history. It is only fitting that we take time to celebrate them in a special way. Thank you to our military families with children who continue to teach and inspire our future leaders.

Best,

Farmer's Market

The season is finally here for outdoor farmer's markets! Washington, D.C. is happy to support local farms. The grand opening of Chevy Chase Farmer's Market is a great first stop for fresh produce and other goods. Visit the market on 5601 Connecticut Avenue, NW on Saturday mornings opening at 9:00. We can't wait to hear about the delicious recipes our residents share after visiting the market!
