HAPPY INDEPENDENCE DAY

Our President's Message

Welcome to the official start of summer! In just a few days, we will celebrate American Independence Day on the Fourth of July. We think of July 4, 1776, as a day that represents the Declaration of Independence and the birth of the United States of America as an

independent nation. It is also a time families gather to barbecue, gather with friends, and watch fireworks. Whatever your plans are, we hope you will be safe and continue to give thanks for our precious gift of freedom.

Many have already experienced extremely hot weather, and it is forecasted to continue in many parts of our nation. Should you have a maintenance emergency, our teams will be on call throughout the holiday weekend 24/7.

We are also pleased to announce our Hunt Heroes Foundation will once again be partnering with Operation Homefront on their Backpack Brigade program. Be on the lookout for the details on how to register your child to receive a complimentary backpack filled with school supplies. This will be on a first-come, first-served basis, and quantities are limited per community.

Wishing you all a safe, happy, and healthy holiday and summer!

Be Water-Wise

Spring rains have ended and summer heat is picking up in July, stressing plants and making adequate water a priority.

It Is Getting Hot Out There!

Setting your thermostats on auto will allow your Air Conditioner to cycle itself on and off which will lesson the risk of it malfunctioning from over usage.

Friendly Reminder

During the recent month we have noticed a rise in pet waste not properly being discarded. It is your responsibility to clean after your furry family members.

Fireworks

The safest way to enjoy fireworks is to attend a public display conducted by trained professionals. The tip of a sparkler burns at a temperature of more than 1,200 degrees Fahrenheit, which is hot enough to cause third-degree burns.

It is Time for Fun in the Sun!
