IT'S BACK TO SCHOOL TIME!

Our CEO's Message

Dear HMC Residents,

I recently passed my one year anniversary since joining Hunt Military Communities as the new CEO. I have traveled to most of our communities and have met with many of our residents. The experiences and feedback have allowed us to make

important strategic decisions and priorities to improve our service delivery and resident experience across the country. We are excited to continually pursue improvements necessary to serve you better and sustain our military communities.

Last August, I committed to reviewing best practices and refining services and programs. Since then we have completed resident focus groups in almost all of our communities. The feedback has helped us to identify specific areas that are most important to you such as improving communication, focus on consistency in customer service, and enhanced community events to bring our residents together. Resident focus groups will be something we doing continuously across the country so we can get direct feedback from you on our service delivery and communities. Thank you to everyone who participated, and we always value your feedback.

Semper Fidelis,
Brian Stann

Pest Control

ON SITE TUESDAYS AND THURSDAY

Our community has experienced an increase in beetle/insects around the community due to our annual perimeter pest control treatments, the warm weather, and recent landscaping clean-up. The insects have declined recently which indicates that the treatment has worked.

If you are still experiencing concerns with pests entering the home, please contact us or place a service request online so our Pest Control can treat the home exterior. Pest Control is here every Tuesday and Thursday.

Trash & Recycling Pickup

Trash and recycling pick up will be every Thursday. Bulk Trash pick up will be on 1st and 3rd Thursday of every month. There is a limit of 3 large bulk items.
