COMMUNITY DIRECTOR UPDATE

JUNE 1, 2025

COMMUNITY NEWS

Bolling Family Housing is excited to welcome multiple new members to our team! Please join us in welcoming Corinne Vanzego and Frances Blackmone as our new Resident Service Specialists, Toney Cooper as our Maintenance Manager, and Eddy Castro as our Warehouse Supervisor. We are thrilled to have them as part of our Office and Maintenance Teams, where they are already hard at work ensuring a high-quality housing experience for all of our residents. Their dedication and expertise will strengthen our community, and we look forward to seeing the positive impact they will make.

We are also pleased to share exciting news about HMC's continued investment in our community. These efforts reflect our commitment to enhancing the quality of life for all residents. We are excited to announce that our Frisbee Golf Course has been completed in our Doolittle Common Area! We look forward to seeing you out there showing off your frisbee golf skills!

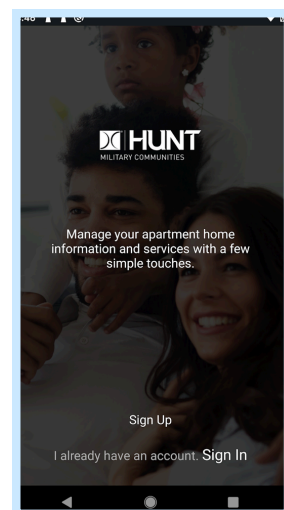

These investments also include our ongoing fence and roofing replacement projects, with new fencing and roof replacements having been completed in select homes in Hooe Terrace in May. Looking ahead, upcoming projects include the continuation of our multi-year initiative to replace roofs, windows, and fences across the community.

COMMUNITY UPDATES

Residents can conveniently manage their housing needs through the Hunt Resident App and Online Portal, where you can submit routine maintenance requests, make payments, and access important leasing documents.

Through the app, you can also view your open work orders and track completed maintenance requests. If you have questions about an open work order, please call our office for updates. Additionally, to ensure efficiency, duplicate work orders for the same issue will be canceled and merged with the existing open request.

Our team is committed to providing timely and effective service. If you have any questions regarding registering for the Hunt Resident App, please call our office or connect with your Resident Service Specialist for further assistance.
