Our Community

Recently, we announced and emailed our new Resident Guidelines. If you have not yet read over the guidelines, we ask that you please read through and familiarize yourself with them. You'll notice a few new and exciting changes that will assist in maintaining a beautiful community for all. If you like to obtain a hard copy, please feel free to stop by our Housing Office or you may view and print them online at www.BollingFamilyHousing.com.

As a reminder, please see below for this year's landscaping schedule. Please ensure that you have personal items removed from common areas to avoid any damage. As a reminder, if you have a fenced in yard it is the responsibility of the resident to cut/maintain inside the enclosed area.

Mondays – Hooe Terrace
Tuesdays- Westover/Hickam
Wednesdays- Doolittle/Rickenbacker
Thursdays- Billy Mitchell
Fridays- Rain make-up day, if needed

*Schedule may vary due to rain, heat or drought

This month we'll be hosting a handful of themed "We LOVE Our Residents" events. See calendar below and lookout for pop-up FB contests.

Hunt Update

Military Spouse Appreciation Day

A holiday since 1984, the Friday before Mothers' Day is Military Spouse Appreciation Day. While this may get overshadowed by Mothers' Day, consider doing a little something special for those military spouses alone on this day – a call, a card, an invite to happy hour in the driveway while the kids ride bikes. Encourage kids whose military parent is away to do something – make a card, make a book to read to the parent at home, plant a flower in a decorated pot, make anything with a kid's handprint on it.

Lots to Celebrate in May!
Mothers' Day, Armed Forces Day, Graduations, Memorial Day. Enjoy time with your family and friends and the unofficial kick off to summer!

Maintenance

Summer's just around the corner! Here are a few maintenance and safety reminders:

Give your air conditioner a test run to ensure it's operating properly. Don't wait until the first scorching day! Please initiate a maintenance request if needed.

Let Mother Nature cool your home – open windows on cool mornings and evenings, close windows and shades during the heat of the day.

Summer means more outdoor activities – be on the lookout for runners, bike riders and children playing. Don't forget sunscreen and bike helmets!
Watch children around water. It only takes a few seconds of inattention and a few inches of water for tragedy to happen.

Ensure grills are attended by an adult when in use. Keep grills away from homes, fences, other structures, overhangs and trees. Have a hose or fire extinguisher within reach
