Our Community

Can you believe that the summer season is quickly coming to an end? Soon many of us will begin shopping for school items such as new supplies, clothing, backpacks and lunchboxes. Looking to save a few bucks? Try shopping around the sales tax holiday week. Below are the area's sales tax holiday dates.

- Maryland: August 14-20, 2016
- Virginia: August 5-7, 2016

**Please note that D.C. does not participate in sales tax holidays*

As you know, breakfast is considered to be the most important meal of the day. If you find yourself looking to try new meal, try the one below.

Pop- Toast

2 pieces of whole wheat bread
1 tsp butter, softened
1-1/2 Tbsp. jam

Directions: Lightly butter both pieces of bread. Spread the jam over the butter onto just one piece of bread leaving 1/2 inch border around the edges. Top with the remaining slice of bread. Cut off the crust and seal the two pieces of bread together using the tines of a fork. Slide into the toaster; then *pop*, breakfast is ready. You can even add thinly sliced bananas or strawberries.

Grill Cleaning and Maintenance Tips

There's a lot of grilling weather ahead of us. Here are a few tips:

- Clean flame tamers using a wire brush to remove debris
- Clean burners with a wire brush paying particular attention to port areas – where the gas comes out. Clean delicate ceramic burners by turning on for 10 minutes to burn off debris.
- Brush grates routinely with a dry wire grill brush with the burners turned off. For charcoal grills, sprinkle water on grill brush to steam clean the hot grate.
- Inspect fuel lines on gas grills. Brush soapy water along connections. If bubbles form when gas is turned on, tighten connections or replace lines.
- Clean lids with dishwashing liquid and water. Dry with paper towels.
- Keep kids and pets away from grills. Adult supervision required!
- Store LP tanks upright in a secure area, not in vehicles.
- Ensure lid is OPEN when lighting a gas grill.
- Don't grill near structures, overhangs, fences or trees.
