A PERSONAL NOTE

Thank you for choosing Bolling Family Housing. Bolling Family Housing would like to WELCOME all the new families, our service members scheduled to arrive soon, and our loyal resident.

We realize PCS season can be a stressful time. A new home, new schools, and a new community. As your housing support team we encourage all residents to feel free to drop by the office for any concerns, information or simply just to meet us as we look forward to serving our military families.

Sincerely,

The Bolling Family Housing Team

School Bus Safety

Walk with your kids to the bus stop and wait with them until it arrives. Riding the school bus for the first time is a big step for your child. Help your kids get a gold star in school bus safety by following these tips. Teach kids to stand at least three giant steps back from the curb as the bus approaches and board the bus one at a time. Teach kids to wait for the school bus to come to a complete stop before getting off and not to walk behind the bus. If your child needs to cross the street after exiting the bus, he or she should take five giant steps in front of the bus, make eye contact with the bus driver and cross when the driver indicates it's safe. Teach kids to look left, right and left again before crossing the street.

PLEASE DRIVE THE SPEED LIMIT

BACK TO SCHOOL TIPS

BOLLING SCHOOL LIAISON 202.433.2566

It's that time of year again and we can hear the school bells ringing! It can be hard to adjust from the dog days of summer to the busy and fast pace of the school year. Here are eight tips to get back into the school mode and start this year off right!

Tip #1: Have the Proper School Supplies that you need for your classes!

I highly suggest getting folders and binder with patterns and designs to make note taking more fun. During the first day of class most teachers will tell you everything they require for their courses. Make sure that you get the specified supplies so that you are able to keep up with the class work and stay organized.

Tip #2: School Bus Buddy

Find a buddy to walk to the school bus with. Never take rides from strangers, and have a backup plan if you miss the bus. Discuss your backup plan with family in the event you miss your bus, school is let out early, or there is an emergency.

Tip #3: Get Involved

Getting involved with your community is great because you can pursue your interest and meet peers who have the same and similar interest as you. Many studies have shown that students who are involved in sports and school.

Tip #4: List of academic goals

Write out a list of goals that you want to achieve for the upcoming school year! Do you want to make the lead role in the play, get that varsity spot on the basketball team, improve your grades, You can reach all the goals you set for this year! When you write down every goal you are able to plan and realize what you need to do to prepare for them. Having that list can be a driving and motivating force to help you work to achieve those goals. School year is an opportunity for a fresh start and to make new friends.
