

BOLLING NEWS & STORIES

Tip of the Month

Create a summer car emergency kit! Fill a container or box with bug spray, bug bite relief, sunblock, hats, and an umbrella. Keep an extra gallon of water to make sure everyone stays hydrated while on the road

Please Help Us Welcome Carolina to the Team!

We also have 1 new member that has joined our group at Bolling Family Housing; Carolina Ortiz-Dittler moved to joint base Anacostia-Bolling in October of 2018 with her Army husband. It is just currently the two of them and their fur baby, Izzy, who does an extremely good job as a foot warmer. Carolina has worked management/customer service for over 10 years and she is looking forward to serving our Bolling Family.

Our President's Message

For the third year, Hunt Military Communities teamed up with wear blue: run to remember in organizing individual Memorial Day events in our communities. More than half of HMC locations participated in the worldwide event. Wear blue: run to remember, a national, nonprofit organization is committed to building a running community that honors the service and sacrifice of the American military. It's expected that over 20,000 runners and walkers around the world became part of a living memorial to America's fallen heroes and a show of support for the families they left behind.

Wear blue teams met at various locations worldwide to participate in this run including many CHM locations. The wear blue Memorial Day event uses the power of community and the accessibility of running and walking for community members to become a living memorial through their steps to honor generations of America's fallen heroes. Wear blue: run to remember was started by a Gold Star spouse, who lost her husband in Afghanistan, at the time she had a three year old, a one year old and a three week old.

Participants were provided with the name of an American Service Member who died in battle as well as a unique bib to share the name of the service member whom they honor with their steps. Each run began with a Circle of Remembrance where the name of each military member killed in war is called out.

Thank you to all who ran, walked, and supported this worthwhile event. It is because of your dedication to the cause we are able to honor and recognize our American fallen heroes in such a thoughtful way.
