# BOLLING INSIGHTS NEWS & STORIES

## Purple Up Day to Celebrate our Hunt Little Heroes 4/22/20

### Our President's Message

April is the Month of the Military Child and during this month especially, Hunt Military Communities celebrates the youngest members of our communities. The smallest warriors, the children, often make some of the most significant sacrifices moving from state to state, school to

school, and having parents deployed for long periods, along with many other challenges military families face. We are proud to acknowledge and support the tremendous strength and resiliency children of our military families display. This year, for the first time, we are launching "Hunt Little Heroes." We ask that your children share stories of what they think it takes to be a hero and how they've been a positive influence in their community. Applicants are asked to submit a 300-word essay, a video no longer than 2 minutes, or a drawing telling their "Hero Story" in their own unique way. For the "younger" heroes, a photo with a short blurb may also be submitted. All applicants will receive a complimentary Hunt Little Heroes cape and mask. Each selected Hunt Little Hero will act as "Hero for the day" at a special celebratory event at their local Hunt community in honor of Month of the Military Child. Applicants can visit <https://www.huntmilitarycommunities.com/our-communities> to see whether they qualify and to submit their story. From all of us here at HMC, thank you for your service and sacrifice.

Best,

John Ehle

President

## 12 months of Fire Safety ~ April

- Put a lid on a grease fire to smother it, then turn off the heat, baking soda will also work.
- Never move a burning pan.
- Never throw water or use a fire extinguisher on a grease fire. Water will only spread the fire and the force of the extinguisher can splash flaming grease out of the pan.
- Never leave food, grease or oils cooking on the stovetop unattended.
- Keep pot handles turned inward to prevent accidental spills.
- Create a three-foot "child-free zone" around the stove. Keep children and pets away from the stove while cooking.
